Vertical Flight Society
Arizona Chapter

Mr. Matt Sipe

**Chief, Tech Management Division
Aviation Turbine Engines
Project Office, PEO-AVN**

**“PEO AVN Electrical Power Systems:
Positioning for the Future”**

Thursday, 22 October 2020, 1200CDT (1000PDT)
Virtual Meeting

This is a free, virtual event open to members and non-members.

The presentation will be held via GoToWebinar. *You must RSVP in order to obtain the GoToWebinar invite.*

RSVP: Email William.b.mccandless2.civ@mail.mil by Wednesday, 21 October 2020 @1200 (your local time).

Please note that many companies (such as Boeing) do not allow the use of GoToWebinar on a company-issued computer or device, so you will need to attend from your own!
